ABSOLUTER

THANKFULLNESS

"ELIASHAR"

BROTHERHOOD "I AM"

ANOTHER CONTRIBUTION OF

Universal Love Bank Foundation

*The greatest good
for the maximam amount of people possible,
as long as possible*

**Divine
Grace
of
Love**

THE ONE

- 1.- Thank You Father for containing and sustaining me in the Triune Monade and for Being in the Dwelling of Your Absolute Being that "I AM".

THE THREEFOLD

- 2.- Thank You Father for situating me always in the exact place, for Being in this same space, and so Be the Perfect Space that "I AM".
- 3.- Thank You Father for taking and bringing me just in time, for Being in every second and so Be the Perfect Time that "I AM".
- 4.- Thank You Father for permitting me to live each moment with the fullness of Your Being, for Being in every instant and so Be the Perfect and Infinite Eternity that "I AM".

THE SEVENFOLD

- 5.- Thank You Father for Being the Living Water that springs from the source of Your Truth to calm my thirst, and so with my refreshed soul full of You, share with my brothers the Verb that expresses all that "I AM".
- 6.- Thank You Father for Being each night the promise of a new dawn, each morning the promise of a new day, each day the promise of a new life, filling my being with Your renewed Hope in each second, and so, share with my brothers the Vision of the New Age that "I AM".
- 7.- Thank You Father for Being the energy that pulsates Life constantly, where nothing dies, where everything is transformed to correct all mistakes and all debts, filling my being with Your constant

recreation, and so, share with my brothers the Living Being that "I AM".

- 8.- Thank You Father for Being in each atom of me a projection of Your Being, filling me with the tranquility that comes out of the certainty of existing in You, and so, share with my brothers the Being of Peace that "I AM".
- 9.- Thank You Father for Being the Harmony in the chorus of All Creation filling me with the certainty of Being an atom in this chorus, and so, share with my brothers the Perfect Harmony of Creation that "I AM".
- 10.- Thank You Father for Being the Vivifying Irradiation of Beauty where my Being is extasiated, and so, share with my brothers the wonderful Rainbow of Light that "I AM".

11.- Thank You Father for Being every sound and every echo that makes my soul vibrate with Your Heavenly Music, filling my being with the Sublime Wave of Your Creation, and so, share with my brothers the precise notes for each octave of the Perfect Symphony that "I AM".

THE TENFOLD

- 12.- Thank You Father for Being the Light with me and in me, illuminating the Being of Light that "I AM".
- 13.- Thank You Father for Being the Purity with me and in me, cleaning and purifying each atom of the Pure Being that "I AM".
- 14.- Thank You Father for Being the Transmutation with me and in me, forgiving the mistakes and generating the New life of the Transmuter Being that "I AM".
- 15.- Thank You Father for Being the Divine Spirit with me and in me, insufflating each day the Life of the Eternal Being that "I AM".
- 16.- Thank You Father for Being the Knowledge with me and in me, revealing in every atom the Being of Wisdom that "I AM".

- 17.- Thank You Father for Being the Forgiveness and the Forgetness with me and in me, liberating all the bonds of the Merciful Being that "I AM".
- 18.- Thank You Father for Being the Creation with me and in me, manifesting the wonderful Being made in your Image and Likeness that "I AM".
- 19.- Thank You Father for Being the Origin of all Creation, the means that sustains this Creation and the reason of its existence with me and in me, and so Being the Being of the All Being that "I AM".
- 20.- Thank You Father for Being Omnipresent and Omniscient with me and in me, consisting in each second that You give Life and Live in the Being that "I AM".

21.- Thank You Father for Being All that You are with me and in me, expressing in every man-women-child the One and Triune Being that "I AM".

THE TWELVEFOLD

- 22.- Thank You Father for allowing that my thought be Your Thought and through It think who "I AM".
- 23.- Thank You Father for allowing my eyes to see Your Face in everything around me and in All see who "I AM".
- 24.- Thank You Father for allowing my ears to listen to Your Sounds, and in each one may perceive the vibrations of the notes of the Music that "I AM".
- 25.- Thank You Father for allowing my respiration to inspire and expire You in every instant and with It may Live of the Breath that "I AM".
- 26.- Thank You Father for allowing my Word to express Your Voice and through It may speak the Truth that "I AM".

- 27.- Thank You Father for allowing my heart to beat at the Rhythm of Your Pulse and in It generate the Love that "I AM".
- 28.- Thank You Father for allowing my hands to be the extension of Your Hands and with It realize the Masterpiece that "I AM".
- 29.- Thank You Father for allowing the energy that flows in my body, be Your Divine Energy and thus vibrate in each one of my atoms the Life that "I AM".
- 30.- Thank You Father for allowing my feet to walk the earth with Your Movement and thus leave in the way the Blue Print that "I AM".
- 31.- Thank You Father for allowing Being the Sustainer of All my Being and in It realize the Presence that "I AM".

- 32.- Thank You Father for allowing the Being, my Being, Your Being, to be always together with my brothers, Your Sons, and so Be the Unity that "I AM".
- 33.- Thank You Father for allowing All Your Creation to be manifested in every part of my being, for allowing my consciousness through Your Consciousness to become aware of it and thus Glorify the Light that "I AM".

THE SIXTEENFOLD

ETERNAL FATHER, FIRST AND LAST DWELLING,
WHOSE PURIFYING FIRE TRANSMUTES THE
MISTAKES AND RAISES THE FALLEN, ETERNAL
INFINITY WHERE SIXTEEN RAYS BECOME ONE TO
MANIFEST AND EXPAND THE UNIQUE UNIVERSAL
LIGHT, MAGNIFICENCE OF YOUR GLORY.

- 34.- Thank You Father for Your Omnipresence, and from the most hidden corner wake up the desire for searching the Light that "I AM".
- 35.- Thank You Father for Being One with me and in me, flowing and illumining each cell and each atom, and in this constant flow, Being that "IAM".
- 36.- Thank You Father for Your Omniscience that reveals in me every instant and asks to be expanded by the Glory of the One that "I AM".

- 37.- Thank You Father for Being the Just Measure, the Just Word, and the Just Forgiveness where the mistakes are redeemed, the debts adjusted and voided, and where the forgetness is reached opening the way to the Memory of Who "I AM".
- 38.- Thank You Father for sustaining through Your Perfection the Absolute Order in All Your Creation, permitting by Your Light the disappearance of all the chaos, darkness, fears and doubts, and in the whole universe inside and outside me shines and sings "I AM".
- 39.- Thank You Father for Being the Nature with its Absolute Equilibrium, allowing the free will of your Sons, to be manifest and in Your Naturel Balance return into Order every mistake for Your Creation to evolve here on earth to the One Being that "I AM".

- 40.- Thank You Father-Mother for Being the constant Womb through which this earth attracts Life to generate New Life and in his constant Procreation gestates and give birth for each Age the One and Eternal Being that "I AM".
- 41.- Thank You Father-Mother for Being the Seed of Constant creation manifesting in every New Gestation the perfection of Your Being through the Form of Love, the Form of Light of the Being that "I AM".
- 42.- Thank You Father for embracing me with Your Infinity Grace and in Your One and Eternal Vision contemplate me, in order to contemplate You through all Your Creation that Glorifies You every instant with Its Perfection, Its Harmony and Its Beauty and in It glimpse who "I AM".

- 43.- Thank You Father for the Knowledge that reveals in me when I find You in the Unity of my Being, being your Science, my science to know all that "I AM".
- 44.- Thank You Father for Being the Absolute in which You have contained me, for without minding its size You take care of me to manifest Your Purpose and thus express the perfection of the Being that "I AM".
- 45.- Thank You Father for waiting patiently in Your Eternity until I recognize You and fusing me in the One Source of Your Being that "I AM".
- 46.- Thank You Father for giving me the opportunity to overcome all the barriers in Your Infinity, conquering the Liberty in the Unity of the Being to reach the Space without limits that "I AM".

- 47.- Thank Your Father for in Your Constant Permanence Your Truth is One without changes, recreating It with infinite forms so I may see It, hear It, feel It, live It, and thus transform my verb in the warmth of the Truth that "I AM".
- 48.- Thank You Father for making me in Your Image and Likeness so each one of my atoms can realize the Perfection that "I AM".
- 49.- Thank Your Father for in Your Being and Doing Your Absolute Presence and Your Divine Plan is revealed through me, Your Eternal Will through me expressed, Your Creation through me Here and Now Is and in me Is the Unity of All that "I AM".

BROTHER

EACH DAWN IS A NEW DAY, FILLED WITH A NEW LIFE TO BE LIVED. EACH DAY IS A NEW OPPORTUNITY TO REALIZE INTERNALLY EVERYTHING THAT WE ARE, AND THEN EXPAND UPON IT. EACH NEW DAY IS A NEW CHANCE TO AWAKEN OUR IMMORTAL SOUL AND FIND THE LIVING GOD THAT LIVES WITHIN US.

AND IF WE COULD STOP EVERY DAY ONLY FOR ONE MOMENT TO PERCEIVE THE WONDERS THAT SILENTLY MANIFEST AT OUR SIDE, MAYBE THEN WE COULD REALIZE ALL THE GIFTS THAT OUR FATHER PERMANENTLY BESTOWS UPON US, WE COULD THEN GIVE THANKS FOR IT AND THUS WE COULD REALIZE IN EACH OF US WHO "I AM".

THE ONE

- 1.- Father! Today you have bestowed me with Your Eternity, where death merged with Life and found the way to your Eternal Dwelling.

THE THREEFOLD

- 2.- Father! Today you have bestowed me with Your Infinite Love for all of Your Creation; to realize it in me is to fill each one of my cells with Life, vibrating within me each atom, the extension of the other outside of me.
- 3.- Father! Today you have bestowed me with your Love to the Loved One; to live It is to experiment the infinite joy of that Love that Rises and Ascends, submerging the Being in the drunkenness of the wine of that Love.
- 4.- Father! Today You have bestowed me with the Trinity of Your One, Unique and Universal Love. To be One in that Love is to break the barriers of distance and time, and with the Loved One in Your Presence, travel through the infinite flow that leads to You.

THE SEVENFOLD

- 5.- Father! Today you have bestowed me with Your Truth. To receive It is to fill my Being with certainty, confirm in every second the wonder of Your Greatness, and see with clear transparency everything that Is.
- 6.- Father! Today you have bestowed me with the awareness of the perfection of Your Divine Plan; with It I can serenely contemplate Your Creation and renew the Hope of the New Era.
- 7.- Father! Today you have bestowed me with the certainty that death is not. With it, Life in its constant change revealed itself in me, providing a glimpse of Eternity.
- 8.- Father! Today You have bestowed me with Your Peace, where It reigns there is no disturbance.

Within It, happiness gives a smile to sadness and Life is filled with Infinitude, embracing everything in a one Unity where only It Is.

- 9.- Father! Today You have bestowed me with Your Harmony. To be a Harmonious Being is to balance all opposites in the exact middle path, where the absolute permanence and evidence of You is manifested from the infinitely small to the infinitely large in the immense diversity of Your Perfect Unity.
- 10.- Father! Today You have bestowed me with Your Beauty; to behold It in each touch of Your Creation is to contemplate the certainty and permanence of Your Perfection.
- 11.- Father! Today You have bestowed me the opening of my ears to hear the unending music

of Your creative Symphony. With It, the rhythm of Your Truth is revealed in me, making me an active instrument of Your Eternal Plan.

THE TENFOLD

- 12.- Father! Today You have bestowed upon me the recognition of Your Light in every existing atom. To perceive It inside and out is to be filled with the joy of Your Immensity, which manifests itself when I accept that there is nothing but You in me.
- 13.- Father! Today You have bestowed upon me the Purification in Your Sacred Fire. To extinguish myself in It is to end an illusory existence and to be reborn in Truth, recognizing that only You Are.
- 14.- Father! Today You have bestowed upon me the Transmuting Power of the Violet Flame. When full of You, you manifest Your Will through me to correct every error and every debt and thus bring Light wherever there is darkness.

- 15.- Father! Today You have bestowed upon me Your Breath that encourages my existence. With It I become full of the Life I share with each one of the brothers created in Your Powerful Mind.
- 16.- Father! Today You have bestowed upon me Your Wisdom. With It every question has been answered, and when all doubts dissipate, the Light fills every dark space with the certainty of That which Is.
- 17.- Father! Today You have bestowed upon me Your Mercy and Your Forgiveness. In them all past debts and future expectations have been canceled, leaving only one unique present here and now, without attachments, where I have forgotten myself and have reminded who I AM.

- 18.- Father! Today You have bestowed upon me the Vision to See the Light that emanates everything You have Created; with It I discover Your Face in each sparkle that emanates all that is Alive.
- 19.- Father! Today You have bestowed upon me Your Eternal Day where I am reborn in every instant and You are the Beginning of every rebirth, Start of Life; you are the Medium that sustains me and in which I discover that I Am Yourself; and You are my end, the total extinction where we are One.
- 20.- Father! Today You have bestowed upon me the loss of time, without its influence I found Your Eternity. You have bestowed upon me the loss of Space, without It I found your Dwelling; there, death did not have space anymore and I found Life.

21.- Father! Today You have bestowed upon me the Light, Your Light. When I allowed myself to let it shine, I understood that there is no Your-mine-their Light, that It is only One Unique Universal and That is what we are.

TWELVEFOLD

- 22.- Father! Today You have bestowed me with Your Strength. To be strengthened with It is to rise every morning with the vigor of Your Action and Thought, which flows and expresses itself through me, and to rest each night in the stillness of Your Dwelling. You have bestowed me with Your Power, to surrender myself in every act of my life full of It is to open the doors of the unknown, make possible the impossible, and in all that plenitude understand that it Is only You acting through me, according to Your Will.
- 23.- Father! Today You have bestowed me with Your Purity. To reveal It in me is to discover the Constant Presence of Your Pure Essence. And allowing It to flow through me is to Be One with You in the sacred lake of Your Eternal Transparency.

- 24.- Father! Today You have bestowed me with Your Balance. To maintain It within me is to calm the tension of the opposites, reconcile them in One Being, and thus express Your Perfect Unity.
- 25.- Father! Today You have bestowed me with the Faith in You, showing It through every brother that knocks at my door, so that I may understand that Your Presence is Constant and Permanent.
- 26.- Father! Today You have bestowed me with your Freedom, to liberate myself is to understand the ephemeral of an illusory existence and the permanence of being One with You.
- 27.- Father! Today You have bestowed me with Your Kindness, filling me with Your Love, so that, with my hands full of You, I can generously spread the seed of Your Light.

- 28.- Father! Today You have bestowed me with Your Transparency. To dilute myself in It is to allow the Order that balances, the Truth that clarifies and the Love that liberates to flow through me, so that filled with Light I may share with my brothers everything that Is.
- 29.- Father! Today You have bestowed me with the Movement of Your Stillness and the Stillness of Your Movement. To find that rhythm is to Be in each instant in the right place and to Be One with That which Is, so that the precision of Your Plan manifests through me.
- 30.- Father! Today You have bestowed me with the Unity of Your Being, my Being, the Being of my brothers. In It, all separateness disappears and the Only Truth that liberates shines so that together we can expand the Unique and Universal Light.

- 31.- Father! Today You have bestowed me with Sustenance of each day. To be nurtured by It is to allow You to fulfill me of You, and thus find myself with You and in me with the wonder of Being.
- 32.- Father! Today You have bestowed me with the Company of my brothers. To accept It is to share the diversity of forms of Your Creation and thus together, manifest the parts of the All, and the All in itself, which each one of Your Children Is.
- 33.- Father! Today You have bestowed me with Your Protection. To be sheltered in It is to be in Your Eternal and Infinite Dwelling and from there in total Unity, spread the seed of Your Love.

SIXTEENFOLD

- 34.- Father! Today You have bestowed me with a clear Vision of my hidden side where treasures were concealed in the midst of a storm and when the fog dissipated, the jewels of Knowledge and Truth began to gleam fulfill of Light.
- 35.- Father! Today You have bestowed me with the Grace to discover that I Am a Channel manifested in this world to give testimony of You, expressing and expanding the Light, the Truth and the Love there is in me.
- 36.- Father! Today You have bestowed me with the need to expand everything that I am knowing and that was imprisoned inside of me, and the more I empty myself, the more it reveals, diluting the inside and outside, the separation of the two worlds that are only the same One world.

- 37.- Father! Today You have bestowed me with Your Justice. To live according to its order is to live each moment rightly, and right in each moment with Your Laws of Love, Order and Unity. And you have bestowed me with the right measure of all things and thus You have made me feel Your Perfect Justice without limits. To each his own, no more, no less, in Perfect Manifestation of the Balanced Rhythm of the Universe.
- 38.- Father! Today You have bestowed me with the Order, the support of all creation. In It I Am upheld in harmony with every particle of Light and Life of the infinite Universe, the constant Presence of You.
- 39.- Father! Today You have bestowed me with the full Consciousness of the total Balance of nature, where the perfect equilibrium of Your evolutionary Plan is manifested, and in which everyone is included.

- 40.- Father! Today You have bestowed me with the clear Perception of the earth that lives in me, and thus I was able to realize from where, how, and why I attract Life.
- 41.- Father! Today You have bestowed me with the clear Vision of my interior heaven, from where Life pulses. In It, Your Presence Is constant and I could see that we all have the same heaven and the same earth, in multiplicity of forms and with the freedom to conjugate heaven and earth and expand You, or dissociated them and contract You.
- 42.- Father, today You have bestowed me with the opening of the All Seeing Eye, and by Being that Eye in me, my vision became clear and I Am the visionary of the Divine Plan of Your Creation.

- 43.- Father! Today You have bestowed me with the Light of Knowledge and by Being the Knowledge itself, You have made me Knowledgeable, all fears dissipated and there are no more unknowns.
- 44.- Father! Today You have bestowed me with the immeasurable size of all that Contains You, where there is no big or small, poor or rich, color or religion. Everything has its exact space in Your Infinite Bosom.
- 45.- Father! Today You have bestowed me with Your Time. My clock stopped and I reached Eternity.
- 46.- Father! Today You have bestowed me with Your Space. You have expanded my home and now I Am everywhere.
- 47.- Father! Today You have bestowed me with the Permanence of Your Presence, in every instant.

There is no more loneliness.

- 48.- Father! Today You have bestowed me with the certainty of Your Constant and Permanent Evolution in all that is created, and thus I knew why every Being pulses toward his Perfection.
- 49.- Father! Today You have bestowed me with the magnificence of Your Plan. To allow me to see It, even though It is constantly changing and re-creating, has transformed me into Your Worker.

THE ONE

- 1.- "I AM" the Infinite Eternity, Unique and Eternal, in It I contain All, sustain All, All is, and in It is My Dwelling "I AM".

THE THREEFOLD

- 2.- "I AM" the Love who recognizes in every living cell that "I AM".
